Grade management

When you go to grade administration, you can perform different tasks such as

1. Import grades
2. Export grades
3. Change scales and letters for different percentages

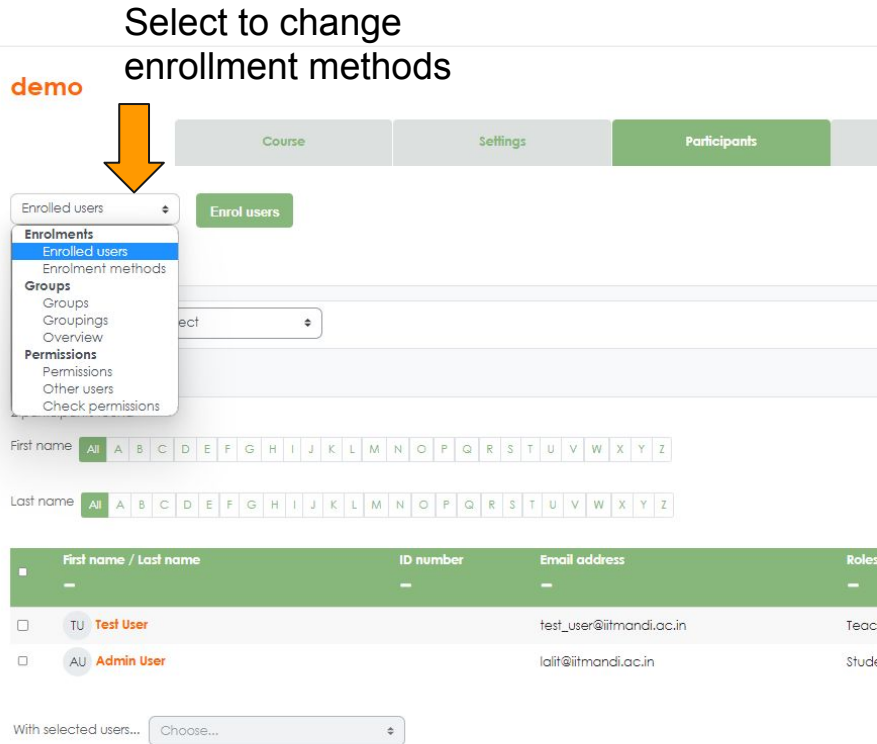

demo: Import: CSV file

The screenshot displays the 'Grades' section of a grade management system. At the top, there are navigation tabs: 'Course', 'Settings', 'Participants', 'Grades' (active), and 'Reports'. Below the tabs, there is an 'Import' dropdown menu set to 'CSV file'. The 'Import' dropdown is open, showing a list of options: 'View' (Grader report, Grade history, Outcomes report, Overview report, Single view, User report), 'Setup' (Gradebook setup, Course grade settings, Preferences: Grader report), 'More' (Scales, Outcomes, Grade letters), and 'Import' (highlighted with an orange arrow) and 'Export' (highlighted with a blue arrow). Below the dropdown, there is a 'Choose a file...' button with a note 'Maximum size for new files: 600 MB'. A large dashed box below the button contains a download icon and the text 'You can drag and drop files here to add them.' Below this box, the 'Accepted file types' section lists 'Comma-separated values .csv' and 'Text file .txt'. There are several configuration options: 'Encoding' set to 'UTF-8', 'Separator' with radio buttons for 'Tab', 'Comma' (selected), 'Colon', and 'Semicolon', 'Verbose scales' set to 'Yes', and 'Preview rows' set to '10'. A 'Force import' checkbox is also present. A help icon (?) is visible in the bottom right corner.

Adding a New Forum and Activities

1. In a course, with the editing turned on, choose 'Forum' from the activity chooser.
2. Give it a name and, if needed, a description.
3. Choose your Forum type, clicking the question mark (?) icon for descriptions of each type. If you're unsure, use the default Standard forum for general use.
4. Expand the other sections to define the settings you want.
5. Click Save and display and, optionally, add a post to get started.

The screenshot displays the Moodle interface for a forum. At the top, the breadcrumb path is 'demo_course > new Moodle user discussion Q&A'. Below this, the forum title 'new Moodle user discussion Q&A' is shown with a 'FORUM' icon. A navigation bar contains tabs for 'Forum', 'Settings', 'Advanced grading', 'Subscriptions', 'Reports', and 'More'. A green success message states: 'Your post was successfully added. You have 30 mins to edit it if you want to make any changes. You will be notified of new posts in 'help' in the forum 'new Moodle user discussion Q&A'.' Below the message is a search bar labeled 'Search forums' and a green button labeled 'Add discussion topic' which is highlighted with a red box. To the right of this button, the text 'To add more discussion to this forum' is displayed. The forum content area shows a 'Discussion' header with 'Started by' information. A post titled 'help' is visible, started by 'Test User' on '23 Jun 2023'. At the bottom right of the page, there is a 'Contact us' link.

The screenshot shows a course management interface with a top navigation bar containing 'Course', 'Settings', 'Participants', 'Grades', 'Reports', and 'More'. The 'Participants' tab is highlighted with a red box. Below the navigation bar, there is a search filter for 'Enrolled users' and an 'Enrol users' button. The main content area is titled 'Enrolled users' and features a search bar with 'Match Any' and 'Select' dropdowns. Below the search bar, there are 'Add condition', 'Clear filters', and 'Apply filters' buttons. A table lists 2 participants found. The first participant is 'Test User' (TU), who is selected with a checkbox (highlighted by a red box). A dropdown menu is open over the 'Test User' row, showing options: 'Choose...', 'Send a message', 'Add a new note', 'Download table data as' (with sub-options for CSV, Excel, HTML, JSON, ODS, PDF), and 'Manual enrolments' (with sub-options for editing or deleting enrolments). At the bottom of the table, there is a 'With selected users...' dropdown (highlighted by an orange arrow) and an 'Enrol users' button.

Private Files

1. File limit is upto 100mb per file and total limit is 100mb too
2. Good alternative of dropbox/drive
3. Can be accessed even if internet link is down

The screenshot shows a web application interface for managing private files. At the top, there is a green header bar with contact information: "Call us : 01905267000" and "E-mail : it_helpdesk@iitmandi.ac.in". Below the header, there is a navigation menu with options: Profile, Grades, Calendar (highlighted with a red box), Messages, Private files, Reports, Preferences, and Log out. The main content area is titled "Private files" and shows a "Files" section with a "Maximum size for new" label. A large dashed box indicates a file upload area with a downward arrow icon and the text "You can drag and drop files here to add them." Below the upload area, there are two buttons: "Save changes" and "Cancel".
